For staff shirts, uniforms, branded merch, holiday gifts. ~5 minutes.

1. **Pick the "Business / Company" path**
   On the Welcome screen, tap the cyan card.

2. **Your Info**

3. **Order Details — add each style**
   Project name, needed-by date, delivery method. Then add styles: pick garment type, enter style #, tap each color you want, fill in size quantities per color. Use "+ ADD ANOTHER STYLE" for additional shirts/hoodies/caps.

4. **Decoration**
   For each style, pick Front / Back / Sleeve. Per placement: pick Printing or Embroidery and upload artwork (or pick On file / Upgrade my file ($40) / Screenshot only / Create it for me ($50)).

5. **Extras + Review + Submit**
   Optionally add backup blanks or production notes. Review the full breakdown. Submit — we'll have mockups + your proposal to you in 1–2 business days.
